First love for an instrument... you will never forget.

Beginning Violas

The 'Beginning Violas' are 'Beginner Genial 2', 'Student Genial 1' and 'Student Gloria'. They are handmade with Carpathian Spruce top plate. The back, ribs and neck are made of lightly-curl maple. The entire body is finished with hand-applied oil varnish (available also in antique finishing) or sprayed with Nitro varnish. All violas feature Ebony pegs, nut, fingerboard, tailpiece, chinrest, saddle and endpin.

Beginner 'Genial 2' Violas

Made from Carpathian Maple and Resonance Spruce in a handsome Stradivari pattern. Sprayed with Nitro varnish and featuring Ebony accessories. Excellent performance at a low price!

Intermediate Violas

These violas are an excellent choice for advanced students. They feature inlaid purfling, a carved Carpathian Spruce top and lightly-Flamed Maple back, ribs and neck, properly aged. Handmade Ebony pegs, fingerboard, chinrest, saddle, nut, tailpiece with fine tuner. Hand-carnished with either standard or antique finish.

Intermediate 'Gems 2' Violas

Handcrafted from solid Flamed maple and Resonance spruce, these violas are more curvy than the school violas. Constructed with inlaid purfling and fitted with Ebony fingerboard, chinrest, pegs, saddle, nut and tailpieces.

Professional Violas

These violas are designed under the direct supervision of Master Lutzier Vasile Gliga. Vasile Gliga's workshop is staffed by expert craftsmen who, like the Maestro himself, work with both passion and expertise. These violas are made from the finest Carpathian Flamed maple and Resonance spruce, properly aged. Each instrument is complete with a label that attests to it's high-quality design. Each level of Professional Violas - 'Gama' and 'Genova' - speaks for the quality of materials, craftsmanship and musical tone, being with or without ebony ring. Each instrument is designed with the trademark 'Gliga' scroll, a unique design made with an elegant, deep cut. Available in 1/4 through 1/32 sizes and with either standard or antique finish.

Professional 'Gama' Violas

Solid Spruce top and Flamed Maple back, sides and neck. Ebony pegs, fingerboard, tailpiece, chinrest and hand-inlaid purfling. Available with finishes ranging from glossy to matte and colors ranging from a bright yellow to a dark brown. Each instrument is carefully made, adjusted and professionally fitted. These are recommended for the long-term musician who wishes to have a great, elegant instrument at a reasonable price.

Gliga

Beauty is in the eye of the beholder.

Master Violas

Fine details and precise design have made the Maestro Viola a sought-after instrument by both collectors and professional players. The Maestro Viola is made of properly aged Carpathian maple and solid Carpathian Resonance spruce and is constructed by Master Luthier Vasile Gliga. This combination of workmanship and high-quality wood produces a masterpiece with a distinct sound. Each Maestro instrument is delivered with an Authenticity Certificate detailing the information specific to each instrument. Photos are included as well as the label and signature of Luthier Vasile Gliga - member of the Violin Society of America. The Master Viola is designed with an Ebony ring which is seamlessly integrated into the instrument's body. The sculpture of the scroll is Vasile Gliga's unique design. The Maestro Extra Viola includes a one-piece back made from Flamed Maple. The Maestro Special Viola includes handmade relief carving, inlay work or Bird's Eye Maple. All instruments are fitted with high quality Ebony accessories. Available in 17.5" through 15" sizes.

Gliga Vasile Master Viola

This viola is designed with sides, neck and back made from highly-Flamed maple. Top of Resonance spruce, two-piece back and hand-inlaid purfling. Varnished with oil and fitted with handmade Ebony accessories. Available with standard finish.

Gliga Vasile Special Master Pyrographed Viola

'Pyrography' is the art of burning designs into wood, paper, bone or other material. A Pyrographer has the ability to create a vast range of images with beautiful effects on any kind of instrument. Pyrographic images are carefully designed using electric or solar heated tools.

M-V16-Y
16" - 41.5 CM, SPECIAL MAESTRO GILGA VASILE
PYROGRAPHED VIOLA

The Romanian Maestro 16" Viola is made by Master Luthier Vasile Gliga - member of the *Violin Society of America* and pyrographed with a floral design by expert pyrographer, Dina Muradian.

This unique monochrome design gives the instrument a distinct appearance. All accessories are made of high quality Ebony.

Gliga Vasile Master Relief Wood Carving Viola

These special violas with one- or two-piece back have a unique carved pattern on the top and the back plates, ribs and neck. Elegantly handcrafted from specially-selected tonewood. The bridge is made of carefully selected wood that has been thoroughly dried and longitudinally cut in order to confer strength and sound diffusion over its entire surface. Available with relief wood carving or standard Ebony or other exotic wood accessories. Pyrographed with the 'Gliga' trademark.

You choose how to play

Subtle relief woodcarvings on the scroll, top and back for a top-class instrument. Perfectly set up with unique handcarved Ebony accessories for the ease of tune and the joy of playing. Top of the line from the Master Luthier Gliga Vasile.

Left hand Violas

These Stradivari violas are a mirror image of the conventional instrument and every step of their design is carried out with the wishes of the left-handed musician in mind. Made from Carpathian Flamed maple and Resonance spruce with Ebony accessories.
